I won't go away
Right here I'll stay

Stand silent in flames
Stand tall 'till it fades

Shoot me again, I ain't dead yet
Come on, shoot me again, I ain't dead yet
I said shoot me again, I ain't dead yet
Come on, shoot me again, I ain't dead yet
Come on, shoot me again, shoot me again, shoot me,
shoot me again
Shoot me again, come on, shoot me again, shoot me
again, shoot me
Shoot me again, shoot me again, come on

All the shots I take
I spit back at you
All the shit you fake
Comes back to haunt you

All the shots (2x)
All the shots I take
What difference did I make?
All the shots I take
I spit back at you

I won't go away, with a bullet in my back
Right here I'll stay, with a bullet in my back

Shoot me, take a shot (4x)

I stand on my own, with a bullet in my back
I'm stranded and sold, with a bullet in my back
Shoot me again, I ain't dead yet
Come on, shoot me again, I ain't dead yet
Shoot me again, I ain't dead yet
Come on, shoot me again, I ain't dead yet
I said shoot me again, shoot me again, come on, shoot
me again
Shoot me again, come on, shoot me again, shoot me
again, shoot me

Shoot me again, shoot me again, yeah

All the shots I take
I spit back at you
All the shit you fake
Comes back to haunt you

All the shots (2x)
All the shots I take
What difference did I make?
All the shots I take
I spit back at you

I bite my tongue
Trying not to shoot back
No compromise
My heart won't pump the other way

Wake the sleeping giant
Wake the beast
Wake the sleeping dog
No, let him sleep

I bite my tongue
Trying not to shoot back
