Born to push you around,
Better just stay down.
You pull away,
He hits the flesh,
You hit the ground.

Mouth so full of lies,
Tend to black your eyes.
Just keep them closed,
Keep praying,
Just keep waiting.

(Chorus:)
Waiting for the one!
The day that never comes!
When you stand up and feel the warmth!
But the sunshine never comes!

No the sun shine never comes.

Push you cross that line,
Just stay down this time.
Hide in yourself,
Crawl in yourself,
You'll have your time.
God I'll make them pay,
Take it back one day.
I'll end this day,
I'll splatter color on this gray.

(Chorus)
Waiting for the one!
The day that never comes!
When you stand up and feel the warmth!
But the sunshine never comes!

Love is a four letter word!
And never spoken here!

Love is a four letter word!
Here in this prison!
I suffer this no longer!

I'll put an end to,
This I swear!
This I swear!
The sun will shine!
This I swear!
This I swear!
This I SWEAR!!!
