Never hunger  
Never prosper  
I have fallen prey to failure

Struggle within  
Triggered again  
Now the candle burns at both ends

Twisting under schizophrenia  
Falling deep into dementia

Old habits reappear  
Fighting the fear of fear  
Growing conspiracy  
Everyone's after me  
Frayed ends of sanity  
Hear them calling  
Hear them calling me

Birth of terror  
Death of much more  
I'm the slave of fear, my captor

Never warnings  
Spreading it's wings  
As I wait for the horror she brings

Loss of interest, question, wonder  
Waves of fear, they pull me under

Old habits reappear  
Fighting the fear of fear  
Growing conspiracy  
Everyone's after me  
Frayed ends of sanity  
Hear them calling  
Hear them calling me

Into ruin, I am sinking  
Hostage of this nameless feeling

Hell is set free

Flooded I'll be  
Feel the undertow inside me

Height, hell, time, haste, terror, tension  
Life, death, want, waste, mass depression

Old habits reappear  
Fighting the fear of fear  
Growing conspiracy  
Myself is after me  
Frayed ends of sanity  
Hear them calling  
Frayed ends of sanity  
Hear them calling  
Hear them calling me
