Woah yeah  
Woah oh  
Woah oh  
Woah oh

The vultures come  
The vultures come for me  
Fly around sun  
But now too late for me  
Just sit and stare  
Wait 'til I hit the ground  
Little vultures tear  
Little vultures tear at flesh

Vulture is down to stay  
Pick the bone until your clean  
Bone to bone and in between  
Pick the bone until your clean

Woah oh  
Woah oh  
Woah yeah  
Woah oh  
Woah oh woah

Right without soul  
I rummage high and low  
Search for my soul  
Search though I'm high above  
We leave behind  
Too late, too late again  
I just want to search the soul  
But my soul is flesh and bone again

Vultures is down to stay  
Pick the bone until your clean  
Bone to bone and in between  
Pick the bone until your clean

Woah oh  
Woah oh

Woah yeah  
Woah woah  
Woah oh woah

Vulturur  
Charge out Vulturur  
Vulturur

(solo)

Vulturur  
Charge out Vulturur  
Vulturur

Woah yeah  
Woah oh  
Woah yeah  
Woah oh  
Woah yeah  
Woah oh  
Woah yeah  
Woah oh

Vulture is down to stay  
Pick the bone until your clean  
Bone to bone and in between  
Pick the bone until your clean

Woah oh yeah  
Woah oh  
Woah yeah  
Woah oh yeah  
Woah oh woah!

Vulturur!
