And now I wait my whole lifetime
For you
And now I wait my whole lifetime
For you

I ride the dirt I ride the tide
For you
I search the outside search inside
For you

To take back what you left me
I know I'll always burn to be
The one who seeks so I may find
And now I wait my whole lifetime

My whole lifetime
My whole lifetime
My whole lifetime
And I'm torn

So long I wait my whole lifetime
For you
So long I wait my whole lifetime
For you

The more I search the more my need
For you
The more I bleed the more I bleed
For you

You make me smash the clock and feel
I'd rather die behind the wheel
Time was never on my side
So long I wait my whole lifetime

My whole lifetime
My whole lifetime
My whole lifetime
And I'm torn

HEAR ME
And if I close my mind in fear

Please pry it open

SEE ME

And if my face becomes sincere
Beware

HOLD ME

And when I start to come undone
Stitch me together

SEE ME

And when you see me strut
Remind me of what left this outlaw torn

HEAR ME

And if I close my mind in fear
Please pry it open

SEE ME

And if my face becomes sincere
Beware

HOLD ME

And when I start to come undone
Stitch me together

SEE ME

And when you see me strut
Remind me of what left this outlaw torn
