Lay beside me, tell me what they've done  
Speak the words I want to hear, to make my demons  
run  
The door is locked now, but it's open if you're true  
If you can understand the me, than I can understand  
the you.

Lay beside me, under wicked sky  
Through black of day, dark of night, we share this pair  
of lives  
The door cracks open, but there's no sun shining  
through  
Black heart scarring darker still, but there's no sun  
shining through  
No, there's no sun shining through  
No, there's no sun shining

What I've felt, what I've known  
Turn the pages, turn the stone  
Behind the door, should I open it for you?

What I've felt, what I've known  
Sick and tired, I stand alone  
Could you be there?, 'cause I'm the one who waits for  
you  
Or are you unforgiven too?

Come lay beside me, this won't hurt I swear  
She loves me not, she loves me still, but she'll never  
love again  
She lay beside me, but she'll be there when I'm gone  
Black heart scarring darker still, yes she'll be there  
when I'm gone  
Yes, she'll be there when I'm gone  
Dead sure she'll be there!

What I've felt, what I've known  
Turn the pages, turn the stone  
Behind the door, should I open it for you?

What I've felt, what I've known

Sick and tired, I stand alone  
Could you be there?, 'cause I'm the one who waits for  
you  
Or are you unforgiven too?

(Solo)

Lay beside me, tell me what I've done  
The door is closed, so are your eyes  
But now I see the sun, now I see the sun  
Yes now I see it!

What I've felt, what I've known  
Turn the pages, turn the stone  
Behind the door, should I open it for you?

What I've
