Lay beside me, tell me what they've done  
speak the words I wanna hear to make my demons run  
the door is locked now, but it's open if you're true  
if you can understand the me then I can understand  
the you

Lay beside me, under wicked sky  
through black of day, dark of night, we share this  
paralyze

the door crack's open, but there's no sun shining  
through

black heart scarring darker still, but there's no sun  
shining through

no there's no sun shining through  
no there's no sun shining

refrain:

what I've felt, what I've known  
turn the pages, turn the stone  
behind the door, should I open it for you  
yeah, what I've felt , what I've known  
so sick and tired I stand alone  
could you be there, cause I'm the one who waits for you  
or are you unforgiven, too  
come lay beside me, this won't hurt, I swear

she loves me not, she loves me still, but she'll never  
love again

she lay beside me, but she'll be there when I'm gone

black heart scarring darker still, yes she'll be there  
when I'm gone

yes she'll be there when I'm gone

dead sure she'll be there

refrain:

what I've felt, what I've known

turn the pages, turn the stone

behind the door, should I open it for you

yeah, what I've felt , what I've known

so sick and tired I stand alone

could you be there, cause I'm the one who waits for you

or are you unforgiven, too

lay beside me, tell me what I've done

the door is closed, so are your eyes

but now I see the sun, now I see the sun

yes now I see it

what I've felt, what I've known

turn the pages, turn the stone

behind the door, should I open it for you

yeah, what I've felt , what I've known

so sick and tired I stand alone

could you be there, cause I'm the one who waits, the  
one who waits for you

oh, what I've felt, what I've known

turn the pages, turn the stone

behind the door, should I open it for you (so I dub the unforgiven)

oh, what I've felt ,ooh what I've known

I take this key, (never me)

and I bury it in you (never free)

because you're unforgiven, too

never free

never me

cause you're unforgiven, too

ooohh
