Lay beside me, tell me what they've done
And speak the words I wanna hear, to make my
demons run
The door is locked now, but it's open if you're true
If you can understand the me, than I can understand
the you
Lay beside me, under wicked sky
The black of day, dark of night, we share this paralyze
The door cracks open, but there's no sun shining
through
Black heart scarring, darker still, but there's no sun
shining through
What I've felt, what I've known
Turn the pages, turn the stone
Behind the door
Should I open it for you?
Yeah, what I've felt, what I've known
So sick and tired, I stand alone
Could you be there, "cause I'm the one who waits
The one who waits for you
Or are you unforgiven two?
Come lay beside me, this won't hurt, I swear
She loves me not, she loves me still, but she'll never
love again
She lay beside me, but she'll be there when I'm gone
Black hearts scarring darker still, yes, she'll be there
when I'm gone
What I've felt, what I've known
Turn the pages, turn the stone
Behind the door
Should I open it for you?
Yeah, what I've felt, what I've known
So sick and tired, I stand alone
Could you be there, "cause I'm the one who waits

The one who waits for you
Or are you unforgiven two?
SOLO
Lay beside me, tell me what I've done
The door is closed, so are your eyes
But now I see the sun, now I see the sun
Yes, now I see it

Oh, what I've felt
Oh, what I've known
Turn the pages, turn the stone
Behind the door
Should I open it for you?
Yeah, what I've felt, what I've known
So sick and tired, I stand alone
Could you be there, 'cause I'm the one who waits
The one who waits for you
Or are you unforgiven two?

I take this key
And I bury it in you
Because you're unforgiven two
Never free
Never me
'cause you're unforgiven two
