(spoken)
its getting closed
(guitars start but still spoken)
and if you cant see me...then should i just go?
(all instruments go but still spoken)
for you and for me

(sung)

Wait
cant you feel it?
stirring in the night
the jack of fire the miss of ice
if you cant understand me?
the should i kill you?

Yo!
its to late
its to late for the time
its to late
its to late for you
cause the time stoped

When i'm in da ghetto
i fell so down
but i know i'm true
cause your the hell i'm through
but time still roles in
but this sh*t is still thick
cause i hate you so....

Yo
its to late
its to late i tell you
its to late
its to late for me
cause the time stoped

its to late (15x)

JUST DIE so why dont you die ...because i love to much

well gusse what honey?
i love you to death
so..
Yo
so
yo
so
yo
so
YO

its to late
cause the time stoped
