Little boy you're going to hell  
You said bad words  
Threw rocks at the birds  
And now this is your hotel  
You ain't going back  
This ain't Disneyland it's hell  
Little boy it's time for you to pay  
For hurtin' that bird  
And not going to church  
And staring at boobs everyday  
Thought you were in bed  
Instead you're in hell  
Hell isn't good  
Hell isn't good  
Hell  
Oh Hell isn't good  
Hell isn't good  
Hell  
Hell isn't good  
Hell isn't good  
Hell
