Going through the deep forest of silence  
When moonlight shines the ground through the fog  
Towering on the hill, Majestic ancient castle  
Freezing shadow of black, Emitting from all white walls

Sleeping in the underground room,  
Sleeping in a black coffin without a cross  
Locked evil life as an evil dream,  
But, darkness & moonlight bring awakening

Walking through the forest of a witching midnight  
When moonlight shines a city through lust  
Nocturnal beasts obey under control of the dark law  
Freezing eyes of blue, Enslaved time & heart

Sleeping in the underground room,  
Sleeping in a black coffin without a cross  
Locked evil life as an evil dream,  
But, darkness & moonlight bring awakening

Dracula, Looking for the virgin's blood  
Dracula, Wandering at midnight  
Dracula, Phantom of Transylvania  
Dracula, Illusion of Transylvania

[Solo]

Someone's daughter, Sacrificed, The Daughter is a  
maiden  
The Maiden is beautiful, pure, without lie  
The holy cross has no light, Rusted holy water  
Mirror is a blind decoration, All has no power

No bloody Scene, Ritual teeth of love to the neck,  
A beautiful kiss of hungry love  
Maiden's ecstasy of love, blood into the soul,  
To fly to the night sky again

Dracula, Looking for the virgin's blood  
Dracula, Wandering at midnight  
Dracula, Phantom of Transylvania  
Dracula, Illusion of Transylvania

Dracula, Looking for the virgin's blood  
Dracula, Wandering at midnight  
Dracula, Phantom of Transylvania  
Dracula, Illusion of Transylvania
