"Flight Of Iron Pegasus"

The sky is slowly fading to black
In the air, there's a screaming legend
Heavy Metal dream on the track
He's leaving out his old hair
Stronger than passion of the thunder
Higher than dreams of the shining moon
He will crush your brains wanna go?
On your own risk!

*Flight of iron Pegasus,
Flight on the sky of the demon
Flight of Iron Pegasus, Flight for the universe
Flight of Iron Pegasus,
Flight in the night of the demon
Flight of Iron Pegasus, Flight for victory

Time for the final battle is now
You will burn on Heavy Metal's night
Only Metal hearts will survive now
It's time for the battle, on Pegasus's night!
Stronger than passion of the storm
Higher than your imaginations
He will fight for old faith
Higher, over this reality
