The way that people walk is as hungry hyenas
Their greedy eyes are more rotten than zombies
This town is full of trendy and terrible waves
We wanna clean up this town, Bring the chosen one

He's final terminator, a noble servant from hell
Moving on with the shake as an earthquake
He appears with his giant destructive machine
Heavy Metal Bulldozer, Bulldozer
Heavy Metal Bulldozer, Bulldozer

The chosen one turns the engine up to ten
The man destroys with the power to the end
Feeling the rotten breaths from the mountains of trash
The man is just born to kill'em all, it is no lie

The hand that is made of steel easily lifts one hundred skulls.
Moving on with the shock as an earthquake
He appears with his giant destructive machine
Heavy Metal Bulldozer, Bulldozer
Heavy Metal Bulldozer, Bulldozer
Heavy Metal Bulldozer, Bulldozer
Heavy Metal Bulldozer

Defenders of metal speaking of merciless fate
Beware of the caterpillar, it might be in your back
Heavy Metal Bulldozer, Bulldozer
Heavy Metal Bulldozer, Bulldozer
Heavy Metal Bulldozer, Bulldozer
Heavy Metal Bulldozer, Bulldozer
