Feeling the sun as black,  
The sea as a deep red  
Feeling the forest as grey,  
The river carries  
The poisoned rotten blood

Calling for the I'll omen  
The cursed ravens tell  
Swimming in the rain of parasites,  
Blessing the dark clouds  
That bring the thunder

Swear on destiny of evil,  
Sacrifice to the fire of the devil,  
Possessed by the force of evil  
Drunk up the molten metal  
With a cup of skull  
Baptized between hammer and anvil

Heavy Metal Demons,  
Heavy Metal is made in hell  
Heavy Metal Demons, The bestial Metal  
Heavy Metal Demons,  
Heavy Metal is born in hell  
Heavy Metal Demons, Hail to hell

Feeling the sky is burnt,  
The air is boiled  
Feeling the moon is melted,  
The wind brings the silver hate  
And the golden pain  
Grinning at the scene  
That zombies devour flesh away  
Breathing in the touch of desecration,  
Blessing the winds that bring  
The storm of darkness

Swear on destiny of evil,  
Sacrifice to the fire of the devil,  
Possessed by the force of evil  
Drunk up the molten metal  
With a cup of skull

Baptized between hammer and anvil

Heavy Metal Demons,  
Heavy Metal is made in hell  
Heavy Metal Demons, The bestial Metal  
Heavy Metal Demons,  
Heavy Metal is born in hell  
Heavy Metal Demons, Hail to hell

The demons know the beauty of evil,  
Loving the seven delights of darkness  
The blazing fire  
Is the symbol of freedom in hell,  
Heavy Metal Demons,  
Hell will never end
