You came here from the cities of the north,
You came here from the cities of the south
You came to make sure of the faith you believe

You came here from the cities of the east,
You came here from the cities of the west
You came to get the sign of a new battle hope

We know the spirit you want,
You know the soul we want
Show us your supreme action,
Tonight is the night,
Restless and wild

Heavy Metal Iron fists,
Raising your fists up high
Heavy Metal Iron fists,
Heavy Metal bang your heads

You're born in hell of the northern land,
You're born in hell of the southern land
You came to be reborn,
To be strong in your dream

You are born in hell of the eastern land,
You are born in hell of the western land
You came to get the oath of a new pride you shoot

We know the spirit you want,
You know the soul we want
Show us your supreme action,
Tonight is the night,
Restless and wild

Heavy Metal Iron Fists,
Raising your fists up high
Heavy Metal Iron Fists,
Heavy Metal bang your heads

Standing together,
The crazy power is on fire
Riding on the sounding storm,

Fighting for Heavy Metal

Heavy Metal Iron Fists,
Raising your fists up high
Heavy Metal Iron Fists,
Heavy Metal bang your heads
Heavy Metal Iron hearts,
Heavy Metal Iron thunder
Heavy Metal fire,
Burning your iron hearts
Heavy Metal Iron fists
