Heavy Metal! Just my way,
Heavy Metal! Just my devil

Fighting, bursting out, Holy the rules, born to play
Metal! And till I die

I win the brilliant victories & the golden glories
I keep on running to the immortal future, now
Forever! and never ending in the hell,
Heavy Metal is my way!

Heavy Metal! Roaring thunder,
Heavy Metal, like a warhead

Screaming, shouting out. Loud till I die, denim &
leather, Heavy Metal

I win the brilliant victories & the golden glories
I keep on running to the immortal future, now
Forever! and never ending in the hell,
Heavy Metal is my way!
