Another light, Another life,  
Another rest, Another fun  
You could choose the way in choice,  
You could choose the way too  
Never lose against a thunderstorm,  
Never lose against a blizzard  
Even if anything that I love breaks,  
I gotta aim for the unknown top

Heavy Metal Mountain,  
Hard way to the mountainside  
Heavy Metal Mountain

We're climbing on and on  
Heavy Metal Mountain

Another time, Another sun  
Another morning, Another night  
You could try for that way,  
I could try for that way, too  
Even if I am reborn,  
I'll decide to challenge again  
Even if one who I love dies,  
I gotta climb without sorrow

Heavy Metal Mountain,  
Wild way to the mountaintop  
Heavy Metal Mountain  
We're climbing on and on  
Heavy Metal Mountain

Heavy Metal Mountain,  
We're climbing without end  
Heavy Metal Mountain,  
Hard way to the mountainside

Heavy Metal Mountain,  
What will be on this mountaintop  
Heavy Metal Mountain,  
We're climbing on and on  
Heavy Metal Mountain
