Rainy Morning, Fog hangs over  
Walking in this lonesome town  
The heart that looks up at the sky  
Keep silence in pitiless rain  
On this sword, Thy shining tears  
Silent eyes are an oath

Going on to the thorny way  
Running with death while looking at death  
There is a shadow in the place that gets sunshine  
The spirit and the soul dwell  
Without any hesitation, between darkness and glory

Oh, Heavy Metal, Heavy Metal, Heavy Metal Samurai  
Oh, Live by the sword, Die by the sword, Heavy Metal  
Samurai

In the moon, Thy shining soul  
The winds of revenge are crying  
The silent rage reaches the sky  
Calling forth storm of steel

There is a shadow in the place that gets sunshine  
The spirit and the soul dwell  
Without any hesitation, between darkness and glory

Oh, Heavy Metal, Heavy Metal, Heavy Metal Samurai  
Oh, Live by the sword, Die by the sword, Heavy Metal  
Samurai

Killing in vain, Screaming for pain, Fighting it alone,  
Running in the night

[Solo]

There is a shadow in the place that gets sunshine  
The spirit and the soul dwell  
Without any hesitation, between darkness and glory

Oh, Heavy Metal, Heavy Metal, Heavy Metal Samurai  
Oh, Live by the sword, Die by the sword, Heavy Metal  
Samurai

Oh, Heavy Metal, Heavy Metal, Heavy Metal Samurai  
Oh, Live by the sword, Die by the sword, Heavy Metal  
Samurai
