In the great shouts of joy,
The horses are crying together
Let's drink up the nectar in the victorious winds
Blowing on the gracious horns for the dead comrades
Look high up in the sky, the eagles are flying

A prophet has ever reflected
In the magical crystal ball
They will bring here the wonderful future and the
brilliant hope
When we won the domination,
Do you remember this promise
We meet each together on the top of this hill

Heavy Metal Warriors in my dream,
Heavy Metal Warriors in your dreams
Heavy Metal Warriors someday again
Heavy Metal Warriors somewhere again
Warriors, Warriors, Forever, Warriors

In the glorious tone of the bell,
Wines to the chariots
Let's drink 'til midnight in the circle of steel
At the top of that fortress,
The mighty flag flutters
Look at the mountainside, a rainbow is making a bridge

They can't stay in peace forever,
You knew the destiny
They must march on looking for the next battlefield
They were fighting together
Must leave here tomorrow
The time will come, when the horses cry at the crack of
dawn

Heavy Metal Warriors in my dream,
Heavy Metal Warriors in your dreams
Heavy Metal Warriors someday again
Heavy Metal Warriors somewhere again
Warriors, Warriors, Forever, Warriors

Heavy Metal Warriors in my dream,

Heavy Metal Warriors in your dreams
Heavy Metal Warriors someday again
Heavy Metal Warriors somewhere again
Warriors, Warriors, Forever, Warriors
