We must leave this place tonight
For tomorrow, We must go
No one should be here, Æ...Æ...Æ...Lost Sanctuary
We must travel to look for new land
Take no one with you
All gods are already gone, Æ...Æ...Æ...Lost Sanctuary

Oh, Oh, No turning back
Destructive are our minds, It's much too late

Follow us, Until your journey ends
Your last hope, It can begin (Lost Sanctuary)
There are more things than we know
Into the future, To get new a dream (Lost Sanctuary)
We must leave this place today
For future, We must go
No one should be here, Æ...Æ...Æ...Lost Sanctuary
A million dreams where did they go
Take no one with you
Watch the sky you see no light, Æ...Æ...Æ...Lost
Sanctuary
Oh, Oh, No turning back
There is no god to save us, It's much too late
Follow us, Until your journey ends
Your last hope, It can begin (Lost Sanctuary)
There are more things than we know
Into the future, To get new a dream (Lost Sanctuary)

This place that once conquered the world
Before, Had been called Æ"SanctuaryÆ"
These passing dreams in the Æ"kingdomÆ"
That before, All people had admired
The ripped symbol of glory and pride
There is not a sigh or a tear
Desolation and wicked lusts like hell
There is no way to turn back for eternity, Damned for
All time? Æ... AhÆ...

[1st Verse]

Ah?, Ah?, Ah?, Ah?,
Lost Sanctuary
