"Soul Of Warrior"

In my memories, you're alive
Fighting bravely, and left to die
Surely you must have seen, betrayer and hell
Not getting victory, not into glory ride, warriors

In my memories, you! burning on
Soldiers of battle, so it's a heavy road
Fighting for freedom, dying for freedom Winner &
loser, rest in peace, warriors

Gone are the days when souls shone
I saw the warriors fighting through all my dreams
We could hear any more? Let's dedicate to... Soul of
warriors

Gone are the days when souls shone
I knew the warriors fighting through all my dreams
We could hear any more? Let's dedicate to... Soul of
Warriors... see...

Like a shooting star, and fade away
Old soldiers never die? They only fade away?
But I never forget, soul of warriors
I'll succeed forever you're never ghosts
