[Redman]:

Do you want to get high man?

[Method Man]:

I see em. Does Pinocchio have wooden balls man?

[Redman]:

Well yo, I got a joint I've been saving here for a special occasion.

[Method Man]:

Ahh, niggas, bitches, welcome. A full tank of gas, a pound of weed, a bird called Pinky. To the East, driver to the East. Funk Doctor and the Phino.

By the way, this is protected by the red, the track, and Tical. With the key.

[Redman]:

Oh shit where the keys at?
