Funk doc (Methical) the veterans of medicine  
Natural fruit juices, that alcohol beverage

[Method Man]

Come to get it on with that crooked ass veteran  
Introduction you to this new special brew  
Natural fruit juicin, alcohol double duecin  
Take what the truth is, that rhyme through your  
toothless

[Redman (Method Man)]

Hey yo what are you a doofus? (Actin like you ruthless)  
Guzzle that St. Ides, Superman flies through the skies  
I'm crooked, leavin y'all chinky eyed  
In case you were lookin  
Ghetto natural now represent  
I flip the script if you ain't  
Hike up my guns and malt liquor  
Drink it down to the sticker  
If you can't finish it quicker
