in tha trunk? of my lincoln , continental style,

do it for tha chemically imbalanced ,  
state ya business,

ironman hear me raw , 12 inches  
Sure shot soldiers in the trenches  
Fire in a hole  
the game commences  
third string rappers play the benches  
Reload  
There'll be no repentance for soul  
Just life sentence with no change for parole  
And thats real

[Chorus:]

Fire in a hole! (pray [echoes])

Fire in a hole! [10X]

Fire in a hole! (yeah)

Fire in a hole! (yeah, yeah)

Fire in a hole! (yo, yo, yo, yo)

[Verse 2: Redman]

Gundowned at sun down

Run now from the bucks sound, touchdown

Your crew wanna punt now, pump-bloww

Swimming trunks torn up from the hunt down

Brakes lock 'em up now

a rich bitch smack 'em up now

a plucked out eyebrow down

Naa dog, a broad got to be a hussy

A hood rat that ride like the bride of Chuckey

Walk through my hood, your ?drools? is screamed:

"Thug me"

My revolver to reload like the Scussy, doc

The bigfoot out for the squosh

Shell shocked like I'm 6 months in the bush

Fire in a hole!

Hiking in the snow with 40 motherfuckers expiring the  
blow

Footprints up timbs are wallabe souls

We cased to placed like Barnaby Jones, hoes

Lay it down like plats in ya hair

Ride off with your money then clap in the air

[Chorus:]

Fire in a hole!

Fire in a hole! (yo)

Fire in a hole! [3X]

Fire in a hole! (yo)

Fire in a hole!

Fire in a hole! (yo)

Fire in a hole! (yo, yo, yo)

[Verse 3: Method Man]

This is for them niggas on the bricks

Holdin' down a block for my nigga carlton fisk

The kid that stay up in a blocks

Ain't no christmas ever since Santa scratched my name  
off the giftlist

shit aint been the same since the pain or forgiveness

Dead man talkin' about elected

Un live it cancer around throat of a critic

Yo doctor, describe me a drug that can knocka'  
New on his ass, take a blast up a nucker  
For real though arsenic production that kills slow your  
eardrums  
Like a happy hooker with a dildo  
I spas on anyone who shows his ass  
I got the mob with me plus a full tank of gas

[Verse 4: Redman]

Yo, yo  
With me and meth swarm you need a net to cover you  
Turn a rap game into W C W  
Off the rope I hang glide to the grove  
Straight people doubt french fries and a coke  
Doc's the name the burglar, serve ya  
that lead through five from frigs and murtar  
They skirt out my with Rick ran down tires  
What a chicken I met who hand out flyers  
Look I'ma areas, I don't have it  
My crew large enough to walk and cause traffic  
Bounce like box springs on your craft-matic  
Before you be sueing doc for malpractice  
You couldn't bang from start  
Your girl see you beat up and shit  
Get a change of heart  
Flaming dark spit it, name a mark  
My impact towards you JFK playin' in a park

[Chorus:]  
Fire in a hole! [14X]

Yeah [3X]  
Fire in a hole  
Yeah [5X]  
Mister meth, ha-ha  
Funk doctor, ha-ha  
Mathematics on the track, ha-ha  
All my niggas in the bricks
