Desert mountain crib in the ground
We arsonists
One point five a liter
Take a taste
Splash your heater
Smack your face twice
Clap your sneakers
Shit is like a mission to Mars
Fishin' for bars
Takin' whats ours
Knowledge the car Pa
Dont be stupid
Get a little cash
Better swoop it
Throw it in the ground and recoup it
Next check was best
Your family pack your shit
Get vexed
Leave a nigga standing in a bag of leaves

Some niggas catch on later
Try to put them on they haters

Waitin' on the sidelines droolin'
Some need schoolin'

Dont be big back about to learn to move dunn
All hell to niggas in jails
With sharks in they fishtanks

Take time to climb vines yo
