Chorus:

You're all that I need
I'll be there for you
If you keep it real with me,
I'll keep it real wit' you
Lovin' your whole scenes
That be in there blu
On top of that you got
The good power you
Shorty your man for you anytime you need me
For real girl its me in your world, believe me
Nottin' make a man feel better than a woman
Queen wit a crown that be down for what ever
There's a few things thats forever, my Lady
We can make war or make babies
Back when I was nuttin',
You made a brother feel like he was sunntin'
Thats why I'm wit'cha today, bo, no fronttin'
Even when the skies were gray
You would rub me on the back and say
'Baby It'll be okay'
Now thats real to a brother like me baby
Never ever give my pussy away
And keep it tight, 'aight
And I'm gonna walk these dogs so we can live
In the fat ass crib wit thousands of kids
Word, like, you don't need a ring to be my wife
Just be there for me and I'm make sure we
Be livin' in the fuckin life of luxury
I'm realizin' that you didnt have to fuck wit me
But you did, now I'm goin' all out kid,
And I got mad love to give, You're my nigga'

CHORUS

I've got a love jones for your body and your skin tones
Bombin' it alone, I'm already in the brohm
Plus I love the fact you've got a mind of you're own
No need to shop around you got the good shit at home
Even if I'm locked up north, you in the world rockin'
Three fourths of quart never showin your stuff off ,bo,
It be true, me for you

Thats how it is, I can be your Noah,
You can be my Wiz, then I can be your sun
You can be my earf'
Ressurrect the God through burf' lets believe!
CHORUS
