Uh, yeah, y'all, guess whose back?  
Heh, cauli' flavored, momma crack  
Yeah, yeah, Scott Storch, Mr. M E F  
Know what I said, black people don't use the T-H  
Yo, yo, yo

Guess who back though, crack dough, yes, eyes is hat  
low  
Stash 'dro, pimp on the side, you know how that go  
Rap flow, major, taste the flavor, all natural high  
Y'all gotta love it when the track go

Ask Def Jam what's hot, three letters, M E F Man  
Been stopped, that's off top, young, fresh to death  
And you're not, no matter what the job, I'm the best  
man  
Rap C.E.O. minus the yes man

I know that's right, so act right, Staten on the map  
Like f\*\*\* y'all, get stuck, y'all and have a bad night  
As I brush off you my shoulder, that's right  
My n\*\*\*\* Scott Storch keep bringing it back like

Oh boy, dig it, I talk about it and I live it  
Been there, did it, s\*\*\*\*ed and wiped my a\*\* with it  
These critics saw the train for brains and must of  
missed it  
If they ain't got the s\*\*\*, they'll never get it

Is it me or is it these n\*\*\*\*\* in it for cheese  
Is it me all my enemies, hating on Killa Beez  
Is it me or is it me that ain't feeling M.C.'s  
With the top down wheeling the V, feeling the breeze

Is it me or is it these n\*\*\*\*\* spitting the same  
Is it me all my enemies throwing s\*\*\* in the game  
Is it me or the industry that really got to change  
Once again it's Wu-Tang in case y'all forgot the name

I spit germ, early bird gets worm, now  
Now that it's his turn, clowns don't get turns, now  
F\*\*\* with a chick perm, when she get hot, you get

burned

You see I'm not kidding, knowing these kids learn

And and I'm that dude, ahh choo and allergic to wack  
jewels

Blast if I have to and y'all don't give me no hassle

Who rep Rotten Apple to death and get natural

Make hard beats pound like the track do

If you ask me, this raspy voice n\*\*\*\* is nasty

Khaki's hanging off of his ass, eyes is glassy

That's f\*\*\*ed, that's us, n\*\*\*\*\* know where to catch  
me

At 1-800 Get At Me

My flow's, no holds barred, Holy Jihad

It's the head n\*\*\*\* in charge, Meth, back on the job

Like back in the days, back when, the game was hard

And when they reminiscence over Wu, my God

Is it me or is it these n\*\*\*\*\* in it for cheese

Is it me all my enemies, hating on Killa Beez

Is it me or is it me that ain't feeling M.C.'s

With the top down wheeling the V, feeling the breeze

Is it me or is it these n\*\*\*\*\* spitting the same

Is it me all my enemies throwing s\*\*\* in the game

Is it me or the industry that really got to change

Once again it's Wu-Tang in case y'all forgot the name

Until these rap n\*\*\*\*\* stepped up, checked up

Man, this game is messed up, next up, you know what it  
is

Don't get it f'd up Meth, what? F.Y.I., you need a heads  
up

And I don't mean to beat you in the head but

When you spit that, forget that, I eat these n\*\*\*\*\* food

And the s\*\*\* wrapped, where Cliff at?

Tell 'em Mr. Meth got his s\*\*\* back

The gift back sign. sealed, delivered and gift wrapped

And when you hear that click-clack

That's real talk, some n\*\*\*\*\* will talk to the cops

Get killed off, man how did you get caught with all the  
rocks

And still walk, no matter what you mix with a pig

You still pork and money is still forced

Yeah, that was right on cue, new and improved

All these dudes try'nna walk in my shoes, doing my

moves

But that's cool 'cause I'ma make it do what it do  
With this W, like I can I get a "Suu" motherf\*\*\*\*\*?

Is it me or is it these n\*\*\*\*\* in it for cheese  
Is it me all my enemies, hating on Killa Beez  
Is it me or is it me that ain't feeling M.C.'s  
With the top down wheeling the V, feeling the breeze

Is it me or is it these n\*\*\*\*\* spitting the same  
Is it me all my enemies throwing s\*\*\* in the game  
Is it me or the industry that really got to change  
Once again it's Wu-Tang in case y'all forgot the name
