[Redman]

Yo Yo doggs its my Fort Doc
Shot wit vaults until death news can talk
Cripple kids can walk
My style will show guns what it is to spark
Hit a clear the park 20 miles apart
Doc is like bad weather reports but i'll walk
If your not from the tri-boro, story settled
I pack gordy metal for those who act fool
Big fish in da water and we hard to harpoon
I'm like open wounds pourin iodine
Messin wit us is like saving "Private Ryan"
You acting out a line now you lying, dying
Wash my evil hands in the fire hydrant

Yeah Girl! My kahuna's hooked up in da harnass
Flying through hard knock life is still torn
My ropes popped in Chicago i hit the floor then
Got up and woke up wit a burn in the morning

[Method Man]

Aiyyo we mo phat then down south trash
And you know dat
With fomat blow the welcome of our door mat.
Toes tapped
Now the helified sound
Why your town off the road map
Baby mess around
I propose that, you go and get your crew and get the
bozac too
Def squad Wu
Or just slave to the rivrim
Clinton is the prez i still voted for cherly chism
Poison is venom my philosophy is busyism
The most beautiful is ??

Minutes as usawal, play your corner
Swingin the ghetto pharماسuiticals the Methadonna
Or the old Flinstone chewables and mary mary mary
So dont ever say i didnt warn ya
And i dont wanna be the one to stick the doggs on ya
Ruuugh
I'm still ghetto, i rhyme ghetto, my peoples ghetto
Pants and saggy teeth yellow
Now thats what i call grimy
A million crazy kids behind me
Killa hills 10304 is where you'll find me
If your lookin baby i'm right here!
Cmon down!

Wassup my brotha?
Wassup my brotha?
Aiyyo wassup now sis?
Wassup now sis?
Aiyyo you got what i need
I got whatcha need
Got da mad Maaad Crew up in da house

Aiyyo wassup my brotha?
Aiyyo wassup my brotha?
Wassup now sis?
Aiyyo wassup now sis?
I got whacha need
Aiyyo you got what i need
