You don't want no problems, problems  
You don't want no problems, problems

Yeah, real man with ya stinking ass  
Come on, that's my nigga right there, let's do it  
Never count me out, nigga, just count me in

Look, I ain't came to bone these chicks  
Not this time, I got a bone to pick, I got a zone to pick  
Now, who that nigga up in the zone and shit?  
Back in the building like he own the bitch

Nobody cold as this, if I ain't got it, then it don't exist  
I spit that bird flu, my flows is sick, I'm still as ill as they  
come  
Protect ya neck, when you dealing with them  
Now Erick, stick a fork in him, he done, hah

It boggle's the mind, like trying to ketchup to a bottle of  
Heinz  
It's like forensics trying to follow the crime, they want  
time  
And sometime, a nigga had to swallow them dimes  
While 85 percent swallowing swine

See wherever he roam, it's all gravy, man, whatever he  
own  
Long as I got myself a Marilyn loan, Phillies are better  
chrome  
If there's a problem, nigga, let it be known  
And while I sleep, my bitch be checking my phone  
'Cause I'm a problem, nigga

Ease up, or put them G's up  
Scream at ya frog, nigga, leap up  
Now who got a problem with that?

They need to beast up, need to speak up  
Or forever hold they peace up  
If they got a problem with that

(Hey you)

Don't want no problem, nigga  
(Hey you)  
Don't want no problem, nigga

(Hey you)  
Don't want no problem, nigga  
(Hey you)  
Don't want no problem, nigga

Hey you  
Believe what I say when I tell ya  
Yeah, you, nigga  
You don't want no problem with that

Look, my Clan all one and the same  
Until my name number one in the game, it's not a  
game, nigga  
Like Billy Danze, I be running with fame  
Me and my lynch mob coming to hang, it's Wu-Tang for  
life

Hard body, another day in the life  
Credit his momma now for raising him right  
Just want the people to know, I'm 'bout to blow  
Like I'm shaking the dice, making me mad?  
Nah, y'all making me right 'cause y'all was taking me  
light

So let my pen talk and say what he like  
And have the court system say and indite, I'm O.J. in the  
mic  
Liquid plumber, I be laying the pipe  
And if it's tight, girl, I'm staying tonight

Not only raising on the price, on MC'ing, but I'm raising  
the bar  
And if you scary, nigga, wait in the car  
Motherfuckers, I'm hard, hard as cooked up in  
mayonnaise jars  
Purple haze, Cuban made cigars, I'm a problem, nigga

Ease up, or put them G's up  
Scream at ya frog, nigga, leap up  
Now who got a problem with that?

They need to beast up, need to speak up  
Or forever hold they peace up  
If they got a problem with that

(Hey you)  
Don't want no problem, nigga

(Hey you)  
Don't want no problem, nigga

(Hey you)  
Don't want no problem, nigga  
(Hey you)  
Don't want no problem, nigga

Hey you  
Believe what I say when I tell ya  
Yeah, you, nigga  
You don't want no problem with that

E, you know I'm just like that  
Big baller, nigga, just like Shaq, so come on, niggaz  
If they busting, I better bust right back  
'Meth spit it from the guts like

Man down, I'm that dude, hands down, stare down  
I'm past due for cash rule, y'all can't clown  
I'm bank now, your ass lose nothing but rhyme  
New York Times, I'm bad news, and I'ma problem,  
nigga

Ease up, or put them G's up  
Scream at ya frog, nigga, leap up  
Now who got a problem with that?

They need to beast up, need to speak up  
Or forever hold they peace up  
If they got a problem with that

(Hey you)  
Don't want no problem, nigga  
(Hey you)  
Don't want no problem, nigga

(Hey you)  
Don't want no problem, nigga  
(Hey you)  
Don't want no problem, nigga

Hey you  
Believe what I say when I tell ya  
Yeah, you, nigga  
You don't want no problem with that

Ease up, or put them G's up  
Scream at ya frog, nigga, leap up  
Now who got a problem with that?

They need to beast up, need to speak up  
Or forever hold they peace up  
If they got a problem with that

(Hey you)  
Don't want no problem, nigga  
(Hey you)
