*[Method Man]*

Uh, and it goes like this  
Uh uh uh uh, it goes like that  
Now let me tell you who I am  
Up early in the morning, dressed in black  
Who dat? *[echoes]*

*[Genius/GZA]*

Yo yo  
Marvel this theatrical, drama on stage  
Broadway classical, led men to rage  
Like currents, the beat change and now a flow is  
strange  
You in the arctic wit wolves that viciously main  
Thugs that roam clubs, in the dark wit fireworks that  
spark  
Saltwater vibrations comin from sharks  
Blood-thirsty kids bite just as well as I write  
You're like secretaries who can't type, you're no use  
Broke down vessels who want a boost, there's no jokes  
Quick fast you, get stumped cuz you played, your  
organ pump  
Kool-Aid, from Indiana wit the Jones of a Lost Crusade  
Hip-hop done hit the church, choir girls rockin mini  
skirts  
The b-side kept plenty hurt  
Push like the shovels in snow storms  
And stack piles of foul, the shit you must GROW ON!  
*[echoes]*

*[Chorus (Method Man) 4x]*

Uh and it goes like this  
Uh uh uh uh, it goes like that

*[Method Man]*

Pay no attention to the evil they speak  
You caught the beef wit the equal eye, poisonous beats  
from underneath  
Crack the concrete wit two left feet  
Head on my meat  
Ain't no games here we playin for keeps (WE PLAY FOR  
KEEPS!)  
Introducing, the crowd seducing man on the street

Penitentiaries is either half-dead or too sweet  
Back to basic, condition-al god, plus I can take it  
Wagin war within the matrix, it's hard to see  
Touch, hear, smell or even taste it, take your places  
We runnin in these human races, bucking naked  
Back-slappin kid yappin, actin villian catchin feelin like  
we cap peelin  
As if we killin every brick in every project building  
From Cabrini Green to Tildens, sincerely yours  
Mista Meth and Maximilion (da millions, da millions)  
(Ka ka ka ka ka ka KAAA!) (da millions ha!)

*[Chorus 5x]*

*[Method Man]*

Uh uh uh uh

Uh uh uh uh

Wu-Tang Killa Bees on the swarm (WE PLAY FOR  
KEEPS!)

(WE PLAY FOR KEEPS!)

Wu-Tang Killa Bees on the swarm

And it goes like this
