Coming back out the cracks,  
Of... and... packs,  
This ain't a candy rap, this is where candies attack  
See when they... that's where the sanity snap  
They break laws, not jaw breakers but break jaws  
In fact, real happy like a monkey on your back  
Got some thumb tags, playing pin the donkey with the  
cat  
... playing a firecracker where you dump at  
Right beside the shower, where you keep... pump at  
Oh no, they creeping like some ninjas in the dojo  
They knock the little man off  
The horsie on your polo, for...  
Crushing all your dreams, cut the strings of your yo yo  
Trade your lamborghini for a volvo, haha  
To now, I bet you thought it was a promo, but no no  
This is for a... solo  
Kids gone loco, until you sink your teeth in  
You know the motto, if life's a treat then you're eating  
  
... kids are... to the day that they chew damn  
That's bad news, now they're in a bad mood damn  
Plus they sour in the sweet little tooth  
And they will fight the power to the...  
Now eat them up, uh, eat them up  
Shut up and eat them up  
This beat go hard, I gotta beat it up  
It's like... I gotta heat it up  
And when the candy goes wrong  
Gotta eat them up  
  
Oh snap, look who fell out the patch  
Right in this... I run cool as that  
Alright jack, now you on the wrong side of the map  
With a busted gps on the wrong side of the snacks  
Let's fight back, in fact they're... like the army  
Throw bleach in your laundry, then unfold your origami  
I like that, so snacks are sweeter in the end  
But then again, ain't nothing sweeter than revenge  
... put delete in all your friends  
... keep your wallet, that's a promise I'm a pimp  
Wipe the music of your m3... pull the plug on your mtv

This is thug bitches...  
And these kids ain't worried, they play dirty like they  
odt

... kids are... to the day that they chew damn  
That's bad news, now they're in a bad mood damn  
Plus they sour in the sweet little tooth  
And they will fight the power to the...  
Now eat them up, uh, eat them up  
Shut up and eat them up  
This beat go hard, I gotta beat it up  
It's like... I gotta heat it up  
And when the candy goes wrong  
Gotta eat them up, eat them up, eat them up
