Come on my friend,
Don't lose hope
I know just how you're feeling,
Fight your fears
Let them be,
For their words are without meaning

The time is now
Unleash your pain
Today's your day
The time is now
Let go of your pain

[Chorus:]
You're livin' in a jungle
So you must understand
To gain your fucken freedom
Just don't give a damn

I've been there
And I've done that,
I mean just what I'm sayin',
Life it seems
It's so unfair,
Just playin' the cards we're given

Don't give up
And don't give in
Believe in what you're dreaming,
For only you
Can really achieve
Your dreams, your goals, your living

The time is now
Unleash your pain
Today's your day
The time is now
Let go of your pain

[Chorus:]
You're livin' in a jungle
So you must understand

To gain your fucken freedom
Just don't give a damn

[Chorus:]
You're livin' in a jungle
So you must understand
To gain your fucken freedom
Just don't give a damn

[Chorus:]
You're livin' in a jungle
So you must understand
To gain your fucken freedom
Just don't give a damn!
