I know that,  
Your out there,  
I can hear you calling.  
I've dreamed a million dreams since we first met.  
When you came along  
And taught me how to be strong  
Now nothings ever gonna be right if I'm wrong  
Don't wake me up!  
And tell me none of it's true.  
Don't wake me up!  
To live in a world without you.  
Don't wake me up!  
Don't wake me up!  
Unless to tell me this dream is real.  
It seems like,  
So long ago,  
I used to be so unsure.  
I didn't know that if our love would survive.  
But you set me free  
Just by believing in me,  
Now I don't want to know if it's not to be!  
Don't wake me up!  
And tell me none of it's true.  
Don't wake me up!  
To live in a world without you.  
Don't wake me up!  
Don't wake me up!  
Unless to tell me this dream is real(this dream is real)  
Tell me this love is real.
