Zakuro: Mew Mew Fusion!
Pudding: Mew Mew Fate
Lettuce: Super Nature!
Mint: Activate!
Ichigo: Power Pendant!
All: Mewtamorphosis!

Everything's changing overnight,
Tellin' me it just got right.
Where is the girl you used to know?
She's better than ever so c'mon lets go!
It's Supernatural! (don't be odd!)
Supernatural! (don't let on!)
Its understood,
You gotta believe a little change is good.
You gotta believe a little change is.....
Supernatural.
Oh, oh, ohhhhhhhh....
