Na na na na na
Na na na na na

I didn't count on this
Before my very first kiss.

This isn't the path we choose,
But there's so much we could lose

So team up! (Team up)
Are you up for it?
Put your hand in mine, it's a perfect fit,
Team up! (Team up)
'Cause it's up to us,
But it's hard to save the world,
When you're falling in love

Na na na na na

If we band together, like birds of a feather,
We'll be friends forever, going up, up, UP!

Team up! (Team up)
'Cause it's not too late,
We can save the day if we collaborate,
Team up! (Team up)
'Cause it's up to us,
But it's hard to save the world.
Yeah, it's hard to save the world,
When you're falling in love.

Na na na na na...
