In everywhere we look (x6)
Allah, Allah, Allah!
In everywhere we look

In everyone we meet (x6)
Allah, Allah, Allah!
In everyone we meet

In every blade of grass (x6)
Allah, Allah, Allah!
In every blade of grass

It doesn't matter what you done
It doesn't matter what you done
What effect is without a cause?
It doesn't matter what you done
Now lay your faithless head down
In necessity's Cotton Hand
There's a love that never changes
No matter what you done

If your old man did you wrong (x3)
Well maybe his old man did him wrong
If you care to sing forgiveness songs
Come down and join our band
And we'll cut you like sword
And sing forgiveness songs

Everywhere we look (x5)
It's all crazy
It's all false
It's all a dream
It's alright
Everywhere we look
