Hey Girl, are you ready for tonight?
I've picked a crappy film, but it should be alright.
But first I gotta say,
Your looking fine in every single way.
Your bum looks great looks hot in that skirt,
Your boobs look great in that shirt.
I've got the pop corn plan with a whole in the bottom,
And a treat that's waiting for you.

Here we go, on our way home,
I'm gonna get the best of you.
Here we go, on our way home,
I'm gonna try and make my move.

Take off your bra,
Show me your boobs.
