INSTRUMENTAL VERSION; typical lyrics below:

The very thought of you makes my heart sing,
Like an April breeze on the wings of spring.
And you appear in all your splendor, my one and only
love.

The shadows fall and spread their mystic charms
In the hush of night while you are in my arms.
I feel your lips so warm and tender, my one and only
love.

You fill my eager heart with such desire,
Every kiss you give sets my soul on fire,
I give myself in sweet surrender, my one and only love.
The touch of your hand is like heaven, a heaven that
I've never known.

The blush on your cheek whenever I speak tells me that
you are my own,
You fill my eager heart with such desire, every kiss you
give sets my soul on fire,
I give myself in sweet surrender, my one and only love.
