Hi-Fi fellas and Lo-fi chicks
Hair is how we take you there.
Bones is how we make it now.
Now I'm after a walking disaster.

We live life we live it large,
In control taking charge.
You are soft and we are hard.
You don't desire to step to our fire.

You're gonna know if you keep on asking questions!
You're gonna know real soon!
You say, "Hey, I never fall,"
As you're falling down.
Your blood is all around you now,
But you see nothing at all.
You say "hey" you get against the wall!
Yeah YOU get against the wall!

It's just the way the city smells.
It's just the way the rain falls now.
We be the ritalin calm you down.
WE BE THE RITALIN CALM YOU DOWN.

It's just the way you talk so loud.
It's just the way the bones fall down.
We be the ritalin calm you down.
WE BE THE RITALIN CALM YOU DOWN, OK!

WE LOVE YOU IN GLACIAL WAYS.
WE LOVE YOU IN GLACIAL WAYS.
WE LOVE YOU IN GLACIAL WAYS.
WE LOVE YOU IN GLACIAL WAYS.
WE LOVE YOU IN GLACIAL WAYS.
WE LOVE YOU IN GLACIAL WAYS.

Yeah, but
You're gonna know, if you keep on asking questions!
You're gonna know real soon!
You say, "Hey, I never fall,"
As you're falling down.
Your blood is all around you now,

But you see nothing at all.
You say "hey" you get against the wall!
Yeah YOU get against the wall
