Tinseltown is coming like a giant bleeding heart,
and I'm so mad, well these kids try to be funny man.
Well I don't think it's happened much,
so we must destroy your art,
and you'll be glad that you stopped sinning,
and stopped caring about trying to do
new things are a dream that every single person has,
and it's not real.
well I know I'm not too well equipped,
But things go by so quickly I can scarcely stop to grasp
the things I'm feelin now, and I don't doubt
that everyone can feel it too.

Everything is happenin' so fast
(Everything is happenin so fast)
Everything is happenin so fast
(Everything is happenin so fast)

Nature is to blame for the things we cannot tame
so let's destroy it. Oh.
I don't know about you,
but I feel like a barbarian man, stop me if you can.
When the poison drips,
to create the same type of graph,
available at your fingertips,
when the poison drips.

Everything is happenin so fast
(Everything is happenin so fast)
Everything is happenin so fast
(Everything is happenin so fast)
Everything is happenin so fast
(Everything is happenin so fast)
Everything is happenin so fast
(Everything is happenin so fast)
