This is a call to arms to live and love and sleep
together

We could flood the streets with love or light or heat
whatever

Lock the parents out, cut a rug, twist and shout

Wave your hands

Make it rain

For stars will rise again

The youth is starting to change

Are you starting to change?

Are you?

Together

In a couple of years

Tides have turned from booze to tears

And in spite of the weather

We could learn to make it together

The youth is starting to change

Are you starting to change?

Are you?

Together

The youth
