I am undone  
A little rough around the edges  
Hearing stories of the hours past in the hourglass we  
race  
The one I tried to chase  
Oh

We talk too much  
A million words meaning nothing at all  
Telling stories of nothing real  
It's never how we feel  
They say time is how we heal  
Mmm

I can't see you  
I can't breathe you in  
No  
If I do I'd never leave again  
Oh  
Again

I love the concrete  
It's my city  
Grass beneath my feet  
And walks with strangers  
Hundreds of years  
My senior

It's not that I can't relate,  
It's just the little things that make me hate the age I am  
And the way we are  
And all comes back to

I can't see you  
I can't breathe you in  
No  
If I do I'd never leave again

I can't see you  
I can't breathe you in  
If I do, I'd never leave again

Oh  
Again

Ba  
Ba doo  
Ooh  
If I breathe you in
