I just want to know what's right,
But all my black and white got melded into gray
And faded.
I just want to live what's right,
But every time I think I know I have a revelation.
Oh.

I am learnin' this life,
And I am daring to try,
I can't keep you together,
But I'll try.

Yeah life, it isn't always right,
It twists and turns and curves until it let's you learn to
ride it.
You are never what you seem,
And I'm reminded constantly,
Of how your love is in need of me.

And it's all because of you,
It's pulling me back to you, Oh.

I am learnin' this life,
And I am daring to try,
I can't keep you together,
But I'll-

And I am learning this life,
And I am daring to try,
I can't keep you together,
But I'll try,
I'll try, I'll-

I am learning this life,
I am daring to try,
I can't keep you together,
But I'll try.
But I'll try.
But I'll try.
