These days are coming to an end,  
The world awaits impatiently for us.  
These moments just collided into one line.  
Looking back I wouldn't change a thing.

We won't fall,  
No, we won't fall for you.  
What you do?  
We will grow,  
Yeah, we will grow from you.  
Oh, from you.

They say there's nothing more than what we're seeing,  
Life is a mirage and we are forced.  
They say that we must prepare to fail,  
I will keep fighting til I can't.

We won't fall,  
No, we won't fall for you.  
What you do?  
We will grow,  
Yeah, we will grow from you.  
Oh, from you.

We won't fall,  
No, we won't fall for you.  
What you do?  
We will grow,  
Yeah, we will grow from you.  
Oh, from you.

We won't fall,  
No, we won't fall for you.  
What you do?  
We will grow,  
Yeah, we will grow from you.  
Oh, from you.

We won't fall,  
No, we won't fall for you.  
What you do?  
We will grow,

Yeah, we will grow from you.  
Oh, from you.
