Grew up in a small town  
And when the rain would fall down  
I'd just stare out my window

Dreamin' of what could be  
And if I'd end up happy  
I would pray

Trying hard to reach out  
But when I tried to speak out  
Felt like no one could hear me

I wanted to belong here  
But something felt so wrong here  
So I prayed  
I could break away

I'll spread my wings  
And I'll learn how to fly  
I'll do what it takes  
'Til I touch the sky

And I'll  
Make a wish  
Take a chance  
Make a change  
And break away

Out of the darkness  
And into the sun  
But I won't forget  
All the ones that I love

I'll gotta  
Take a risk  
Take a chance  
Make a change  
And break away

Da da da'd da da  
La la da'd da da  
Da da da'd da da da da

Wanna feel the warm breeze  
Sleep under a palm tree  
Feel the rush of the ocean

Get on board a fast train  
Travel on a jetplane  
Far away  
And break away  
Ey-yeah

I'll spread my wings  
And I'll learn how to fly  
I'll do what it takes  
'Til I touch the sky

And I'll  
Make a wish  
Take a chance  
Make a change  
And break away

Out of the darkness  
And into the sun  
But I won't forget all the  
Ones that I love

I gotta  
Make a wish  
Take a chance  
Make a change  
And break away

Buildings with a hundred floors  
Swinging round revolving doors  
Maybe I don't know where they'll take me

But  
Gotta keep moving on, moving on  
Fly away  
Break away

I'll spread my wings  
And I'll learn how to fly  
Though it's not easy  
To tell you goodbye

I gotta  
Take a risk  
Take a chance  
Make a change

And break away

Out of the darkness  
And into the sun  
But I won't forget  
The place I come from

I gotta  
Take a risk  
Take a chance  
Make a change  
And break away
