Oh, thinkin' about our younger years
There was only you and me
We were young and wild and free

Now nothin' can take you away from me
We've been down that road before
But that's over now
You keep me comin' back for more

And, baby, you're all that I want
It isn't too hard to see
I'm findin' it hard to believe
We're in heaven

And love is all that I need
And I found it there in your heart
It isn't too hard to see
We're in heaven

Oh, once in your life you find someone
Who will turn your world around
Bring you up when you're feelin' down

Yeah, nothin' could change what you mean to me
There's lots that I could say
Just hold me now
'Cause our love will light the way

And, baby, you're all that I want
When you're lyin' here in my arms
It isn't too hard to see
We're in heaven

And love is all that I need
And I found it there in your heart
It isn't too hard to see
We're in heaven

I've been waitin' for so long
For somethin' to arrive
Love to come along
Mm-mm

Now our dreams are comin' true
Through the good times and the bad times
I'll be standin' there by you

You are all that I need
When you're lyin' here in my arms
It isn't too hard to see
We're in heaven

And love is all that I need
And I found it there in your heart
It isn't too hard to see
We're in heaven
