Every word I write  
I'm always thinking about you  
Every song I sing  
Is with you're face painted in my mind

I need you to realize  
How much I need you in my life  
You keep me alive  
And I'll always fight for you

CHORUS:  
'Cuz I love you  
And I need you  
Lawrence you are my guiding light  
To what's true  
That's me and you  
Forever my heart is in your hands

Is in your hands

Every smile I make  
Is so true 'cuz I'm truly happy  
Every day I'm awake  
I thank god for giving me you

CHORUS  
'Cuz I love you  
And I need you  
Lawrence you are my guiding light  
To what's true  
That's me and you  
Forever my heart is in your hands

Well I know sometimes  
I've made mistakes  
I've gone and choose the wrong way  
But I need to to know  
That I'll always love and only need you  
Only need you  
Yeah, you, Lawrence

CHORUS

'Cuz I love you  
And I need you  
Lawrence you are my guiding light  
To what's true, baby  
That's me and you  
Forever my heart is in,  
My heart is in, yeah

'Cuz I love you, baby  
And I need you  
Lawrence you are my guiding light  
To what's true  
That's me and you  
Forever my heart is in your hands  
Forever in you hands  
Lawrence, my heart is in your hands
