In the time before the twilight  
Settles on the world  
Woah, you can feel the magic  
Dreamin' of someone to hold tight  
One more lonely girl  
Woah, goes on automatic

Everywhere across the land  
In front of their mirrors with combs in their hands  
They prepare to make a stand  
Lover to lover, woman to man (Livin' for the...)

(Chorus)  
Sidewalk hot summer nights  
Radio 'bout to blow  
Small talk under the lights  
Feel the heat, wild and sweet  
Hot summer nights

Sitting out upon the front steps  
Bursting at the seams  
Woah, driven by desire  
City boy stares at the sunset  
Dreaming desperate dreams  
Woah, where there's smoke there's fire

And some believe that love is won  
And some of them go like they're under the gun  
In between what's already done  
And the promise they feel in the evening to come (Livin'  
for the...)

(Chorus)  
Oh, oh hot summer nights  
Oh, oh hot summer nights

In the end two hearts will meet  
And maybe they'll find whatever they seek  
If they can, they'll learn how to keep

The faith that they found in the sound of the beat (Out  
for those...)

(Chorus)
