"Love Me"

Visit "[Love Me](#)" on MotoLyrics.com

can't go on this way forever
closing my eyes and just imagining
i'm loving you
when i'm close to you it feels so right
can't sleep at night
but if i try to stay away can't even
make it through the day
no longer care if it is wrong or right
i wanna love you, baby, through the night
till the morning light
can't stop imagining the tenderness of your caress
couldn't stop if i wanted to
there's nothing left for me to do

please, love me
just look into my eyes
i know you want me
say what you feel inside
don't be afraid to try
i'm yours if you say
please, love me
if it's so hard to say then baby, touch me
i can't take it anymore

i'm dizzy with your love
i'm yours if you say baby, stay

you drive me crazy when you look at me
i'm nearly blinded by my fantasy
you're making love to me
if i can't have you
don't know what i'll do
i'm so in love with you
i'll play any game you wanna play
but i just wanna hear you say

please, love me just look into my eyes
i know you want me
say what you feel inside
don't be afraid to try
i'm yours if you say

please, love me if it's so hard to say
then baby, touch me
i can't take it anymore
i'm dizzy with your love
i'm yours if you say baby, stay
i'm yours if you say baby, stay
