

Micaïla And Berttie "Best Friends"

Visit "[Best Friends](#)" on MotoLyrics.com

We like popsicles in the summer
We like eating them
We like sucking on them
Especially the red ones

We call this BEST FRIENDS
We call this BEST FRIENDS
Were the best of friends
We are like sisters
We love each other to death
We call that BEST FRIENDS

We like boys in the summer
Berttie likes slapping their butts
Berttie and Micaïla like talking to them
They like flirting with them
Because they are hot

We call this BEST FRIENDS
We call this BEST FRIENDS
Were the best of friends
We are like sisters
We love each other to death
We call that BEST FRIENDS

Berttie likes fighting in the fall
Because it is fun
She has slapped 3 people in the face
Including Micaïla
Micaïla and Berttie like going to church
That's where Berttie slapped 3 people
They thought it was funny

We call this BEST FRIENDS
We call this BEST FRIENDS
Were the best of friends
We are like sisters
We love each other to death
We call that BEST FRIENDS
